A signed Banquet Event Order and Credit Card Authorization are required to guarantee your event.

We offer three, four and five course menus. Banquets of 21 or more are required to order from the Banquet Menus. A pre-selected menu will be provided if a group increases to 21 or more guests and a menu has not been selected.

Guarantees for attendance are required 72 hours prior to your scheduled event. Charges are based on the guarantee number provided unless the attendance is greater. Adjustments to the guarantee are not accepted once the number is provided. If a guarantee number is not provided, we will charge based on the expected number of guests on the Banquet Event Order.

- Local Sales Tax and a gratuity of 22% will be added to all Banquets.
- One check is provided. We do not offer separate checks for groups.

Seating for large parties is at the discretion of the restaurant, unless you have arranged private dining. Groups of 17 or more will require a minimum of two tables. We will make every effort to accommodate seating requests; however without a private reservation we cannot guarantee seating. Public Addresses and Audio-Visual presentations must be approved by the Stockyards Special Events Manager. Some of our private dining spaces do have sound restrictions. Cocktails receptions prior to dinner do require private space or can be arranged in our 1889 Saloon.

Full payment is required upon conclusion of your event. We do not offer direct billing.
